

Minutes of the 5th Partner Meeting in Paris It's Easy to Teach, if You Know How 5th and 6th of March 2018

DAY 1

Presentation of the results from the evaluation questionnaire in Cuenca

- Presentation of the evaluation of the meeting in Cuenca by the Spanish partners:

All partners were very satisfied by the project meeting. Only one person found that the time was not totally enough for discussing the entire topics in the agenda but the overall meeting has been declared as very satisfying by everyone.

- Presentation of the students' evaluation related to the workshop in Cuenca:

All participants declared that the workshop carried out in Cuenca was very interesting and they really like it. 56% of the respondents declared that the content allowed them to overcome the barrier of speaking. The large majority declared that this form of learning language motivated them. 78% of the participants already taught English during the past years (1-3 years).

- Presentation of the minutes of the meeting organized in Cuenca:

Afterwards, Raquel presented the minutes and pictures prepared by the Spanish group after the meeting in Cuenca.

Presentation of the dissemination activities

FRANCE: presentation of the activities carried out in Paris

TODO: updated the website of E-Seniors with minutes & pictures

POLAND: presentation of the activities carried out in Poland

TODO: Special day in June regarding Interreg conference

SPAIN: presentation of the university's website

TODO: send the link by email to all partners

→ **Table of dissemination will be prepared after the final meeting in June**

Facebook page

2 pages are existing on Facebook: "Erasmus Plus" and "It is Easy to Teach – If You Know How" one for the administrative staff and one open for everyone where participants and teachers can upload pictures and comment different posts.

Each partner country has to present the Facebook page to their students and ask them to "like" the page and comment it.

Presentation of the tasks conducted in each country and EPALE platform

- The dissemination activities will be published on this platform. Each partner (teachers) will send to the Polish group few sentences regarding the project and the experience.
- Gathering the testimonies of students with few sentences.

Lunch break

Discussion about scenarios and handbook

SPAIN: Scenario presented by Victoria regarding the situation "Going to the doctor"

POLAND: scenario "Fashion and clothes"

FRANCE: scenario "Politics and films"

→ **TODO:** Send to all partners the last scenarios

The Polish group prepared a questionnaire dedicated to participants regarding the experience during the workshops.

Presentation of the handbook

- Around 50-60 pages
 - 9 scenarios (3 per country) + teachers' comments on each scenario
 - Conference included in the handbook
 - Short information about the participants
 - Evaluation questionnaire by the participants/students
 - The handbook will be available by paper, printed version if needed.
- ➔ **TODO: Lessons have to be send by the 15th of May** for compiling everything in the handbook

Video recordings with teachers about the experience

Danuta is preparing the second film with teachers' testimonies.

DAY 2

Open workshops for French seniors learning English in MDA of 3rd district of Paris

The consortium welcomed seniors' participants with a coffee. Afterwards, E-Seniors presented the topic of the project and the objective of these workshops.

Presentation of the Spanish scenario: "Going to the Doctor". Victoria presented some slides about diseases and symptoms. After having understood the words, each pair prepare a discussion taking on the roles of a doctor and a patient.

Presentation of the Polish scenario: Maja prepared a game for training seniors' vocabulary. Each person choose a letter and all the group divided in pairs had to find some words beginning by this letter (vegetable, fruit, clothes, way of transport etc.)

Administrative issues, final steps and final meeting in Poland

Next meeting will be held in Poland **on 20th and 21st of June**

The Polish group will check the possibilities for the accommodation.
